The Premises:

A not very discreet terraced house near Plumstead High Street. There were a couple of neighbours chatting on the street nearby.

The Lady:

A Bulgarian girl with dyed red hair. A little on the plump side with 34C breasts.

The Story:

I had pre-arranged a 30 minute session with a facial finish. When I arrived I duly handed over the money. The session lasted about 15 to 20 minutes in all with sex in two positions and covered oral. When I asked if I could finish with a facial I was told to pay another £30. Despite my gentle protests it was obvious it wasn't going to happen. Being very easy going I let it go and asked for a hand job finish instead.
