The Lady:

Pretty blonde 21 year old English girl. Nice toned and naturally tanned body. Legs looked fantastic in her little black dress. Perky breasts and cheeky smile and demeanour. Tight bum and pussy. Very keen to please and easy to talk to.

The Story:

Called Harry at saucy london and said I wanted to see a good fun girl. He recommended angelique as being very pretty, open minded and good fun. He was spot on. Angelique arrived at my door - immediately dfk and pushing against my rapidly hardening cock. Then onto the sofa. More dfk and she keen to have my fingers inside her pussy. Very erotic with her squirming on the sofa kissing me with my fingers deep in her. Then to the bed. She was well into the whole thing. Great blow job. Loads of eye contact licking my balls and my arse. Then fucking all positions. She rode me hard talked dirty. Concluded with me fucking her missionary then at her suggestion took out my cock removed condom and wanked onto her breasts and face. Angelique very naughty and you can see open minded - on top of that a sweet girl. Keen to do well in this game and I am sure she will. Highly recommended if you want a Funtime with a pretty young, open minded girl who still retains an attractive freshness in her approach.
