The Premises:

Moderately sized clean bedroom in functional second floor flat next to tube station

The Lady:

Text book porn star looks ; platinum blonde hair , glinting dark brown eyes , nose pierced ,very shapely figure , lovely large titties , delicious sexy Spanish accent, LOTS of tatoos including the famous snake coiled around her abdomen.

The Story:

Phoned to see the amazing Gina the Snake , booked with Charlie the nice maid , who texted me the address and told me as well to check her outline as she is a genuine porn star. Place was easy to find next to the tube station , phoned Charlie as I had arrived early who buzzed me up when I pressed the intercom, and knocked on the flat door , Charlie let me in we kissed on the cheeks before showing me to the bedroom.

Moments later the amazing Gina arrived , made the arrangements , and I started to undress , she removed her negligee and was about to pull down her skimpy black knickers , when I told her that I wanted to , which I did to reveal her delicious fully shaven pussy...YUM.

Now both naked we lay on the bed together .I started on her delicious tits , licking both nipples , really firm , for about 5-10 minutes , I told her I loved her tits but there was something even more wonderful , "Pussy" she replied with a grin.

I opened her delicious pink petals looking with pleasure at her exquisite putendal flesh before starting to lick her clit , Gina then said she would like me to lick her more gently as she had given herself a really powerful orgasm the day before and her pussy was very sensitive , I asked if she had been using a vibrator but she shook her head , and with a delicious naughty grin waved her finger.

I started licking her clit again (less firmly) for several minutes and she grew deliciously wet , before Gina said to me "your cock" , and moved her body back , my face was wet from her delicious pussy juice which she cleaned with a wipe .

My cock was swollen with pleasure and excitement, she told me to lie down and she devoured HIM OWO, with an incredible naughty grin on her face , a porn star blow job , she salivating over him so my cock slid in and out ,as she raised her head up and down, when

I had to ask her to pause or I would come too quickly she again gave a lovely naughty grin. I told her I would love to lick her pussy again, Gina told me how she likes to receive , she likes lots of single licks , demonstrating sticking her tongue out , rather than having her clit continually licked , I commenced to do so one lick of her clit at a time , before doing so again, spent several minutes and again she was really juicy.

Again my lips were wet from her sexy nectar , which she again wiped , before treating me to a second fantastic bout of OWO using the same fantastic techniques , her beautiful sexy brown eyes glinting as she sucked before telling me she wanted to fuck(how could I argue?).

She expertly slid the condom over him, I thought she was going to start in cowgirl , but she lay on her back her legs up in the air and wide open and told me she "likes to be fucked".

With great pleasure I slid my swollen cock into her wonderful hot tight wet pussy ,in and out as she groaned , spent several minutes before I inevitably climaxed and withdrew.

She very skillfully removed and disposed of my spunk filled condom, and she wiped my cock clean, I was very sensitive having just come and she giggled as I gasped as she cleaned my cock.

Spent final part of the time chatting and cuddling , she has a great personality and told me I would have to see her again, she is bossy but in a very fun and sexy way.

Before finally getting dressed and she gave me a nice kiss on the lips. Before leaving said goodbye to Charlie the maid kissing on the cheeks .

What a way to beat the dark wet November feeling , a hot genuine Spanish porn star!
