The Premises:

After finding Excell strangely shut for the day, I swung by Brooklynn's. A few changes I have spotted were the showers have been upgraded since I last went. most beds had those kinky cuffs for people who like to be tied up and, of course, the waiting lounge where everyone sits has now a coffee pot to drink from. The receptionist sat me down and introduced me to the free ladies at the time: Daisy and Lucy.

The Lady:

Daisy, a new addition to Brooklynn's, made me think she was a young Audrey (Megyn Price) from Rules of Engagement and that's pretty hot :p Blonde, early to mid 20's, slim with long hair. Extras wise, doesn't do anal or fingers in her or french kissing but does OWO and CIM. If you are looking for Roleplay/Fantasy, better off seeing Foxy or Fallon though, Daisy looked very unimpressed with any discussions relating to them - something that shows visibly from the off-shot. (I doubt she's related to the OTHER Daisy in Punternet and in Crewe) After checking the website, she matches the website photos pretty well considering I didn't check her in the website first.

The Story:

A straightforward service of a decent massage, oral with (though extras offered), girl on top and then missionary with some well meaning moaning and sounds. The only problem was was I felt uneasy from the beginning since Daisy felt off put about me not breaking the ice in the talk from above. (Something for the next visitor to take account) so I felt a little bit held back. Afterwards, Daisy was actually very talkative and seemed more approachable regarding conversation so I guess she was just unhappy with the questions of her at the beginning.

I will be willing to see Daisy again - hopefully without the distant response - which would probably be a fairer review. However, depending on your desire, Daisy is a good choice and is probably on par with me Elisha or Lana in service. Mind you, looking at the website, I think Lucy was probably more my cup of tea! Oh well, next time...
