The Story:

After my last Northampton experience I was more than a little nervous about trying out the offerings of Northampton again.

I'm glad to say that both this establishments and in particular Autumn put my mind at ease. Wow what a girl, legs that go on forever, boobs the size of water melons and soft wonderful lips. Autumn was just an angel and the whole experience from start to finish was probably one of the best I have ever had. Autumn knows exactly how to turn a guy on and clearly really enjoys sex a lot. Highly recommended, you will not be disappointed.
