The Story:

This was a second visit for me to Mistress Julia, and was every bit as amazing as the first. From the moment she strode into the room, I was very turned on. She listened to my requests - roleplay, spanking, finishing with hand relief. Then enacted all of them with control and also sensuality and affection. She put me over her knee and gave me a good hard spanking. And then another. and another. Always respecting my limits but seducing me into taking more. Enthusiastically followed the roleplay and led it, dominating me erotically and sensually. Allowing me to enjoy sucking on her amazing tits. All in all it was a really amazing half an hour and I will definitely be returning to see Mistress Julia
