### The Premises:

Safe, clean, good showers.

### The Lady:

As per her photos. I fancied here. I got a semi whist watching her strip for me. Lovely natural boobs, that she uses to great affect in the B2B session. Lovely smooth skin.

### The Story:

Good massage for the first half of the session, lots of teasing my inner thigh and balls towards the end. She then turnt me over and emptied a botton of oil over my throbbing hardon. She then proceeded to wank me senseless for 15 mins. Using her nails, her boobs and here hands to great effect. I exploded at the end of the session. She is amazing. I will return. Teh best bit about here is that she makes sex noises at just the right times!
