### The Premises:

Well established massage parlour near Milton keynes. Free parking outside. Clean & modern place. Discreet entrance.

### The Lady:

Very pretty petite blonde polish girl. About 5'2 tall or so, slim and naturally busty. Photos are accurate. She is chatty and nice company.

### The Story:

I decided on Poppy from her photo and reviews and was not disappointed. Poppy is a very nice girl and past reviews are as per my experience. She can do a very professional massage and the ending is very happy one. Once on my front she said I could touch and it was rude not too!

Treat Poppy well she will not let you down.
