The Premises:

Usual great location of Debbies. Always bustling with great chat and cheer.

The Lady:

About 5ft 8, mixed race, ot un attractive, good slim figure, medium breast with large nipples.

The Story:

Katie was new to Debbie's, and unfortunately let the team down - badly.

Very mechanical, kept asking what I wanted to like it was a shopping list.

No kissing, touching below waist and she kept tugging my old fella like her life depended on it at every possibly moment.

In and out as soon as she could, felt very let down.

I should ave gone with Harlie who Debbie introduced me to whilst waiting for Katie. She was extremely pretty and friendly.

Katie has really let Debbie down who normally only hires the best of the best.
