The Premises:

She came to me so felt like I never left home.....

The Lady:

About 5, 6 but taller in heels. Size 6-8 very toned no fat. Small pert breasts with long black hair and tanned skin. As said before has that cleopatra look.

The Story:

Seen Charlie quite often never disappoints. I never normally pay bigger bucks for a girl but she's a rare find. Does exactly what it says on the tin. Very friendly and easy to get on with. Her tons of reviews say it all! See them on the usual site. When she puts on her lingerie she could beat any porn star. Charlie wouldn't want me to go into full description as she reserves some class. But needless to say the best oral by far. Great eye contact and looks like she loves it.

Needless to say the sex is amazing with that body . She will do most things at her discretion.

I'm tempted next time to do an all nighter and think she'll do me a deal now ?

This girl to me is far the best on the scene.

She's not always available so book in advance but don't miss out she's a Gem!
