The Lady:

Sammy is stunning, in both the looks department and in her personality. Sammy is intelligent, funny with a fantastic dry/witty/intelligent sarcasm style sense of humour that most would not get. Her eyes could hypnotise you at 100 paces, her smile makes everything bad in the world just disappear my good good with heels on very tall. spammy has fantastic hair, very well looked after and managed. Take a great deal of pride in her appearance and has a fit athletic body to boot. There is more but best not to go on too long as it may crash the Internet.

The Story:

My experience? Well this is trip number 5 to see this amazing lady, and I intend to go back again and again and again. Finding it hard (excuse the pun) to stay away. Our meetings are the same each time fun, exciting and very enjoyable hopefully on both sides.

Not going into details as that's not me, but I felt that Sammy deserved the recognition she should be receiving on these reports and if I will say one thing it's this.

Sammy is an unbelievable treasure and should be treated with the upmost respect and kindness that she deserves.
