The Premises:

Adequate free parking outside. Seemingly safe neighbourhood. Access via security gate, security entrance and lift. Delightful, stylish and immaculate apartment.

The Lady:

Not local to me but was in the area and took the chance to visit Gina because of her stunning photo collection and great reviews. Relieved and happy that photos are accurate. Gina is a quite stunning lady. No exaggeration to say I have never been in the company of a lady with such an amazing figure. Maybe 5'9" in her stilettos. Slender but curvy in all the right places. AW says 30yrs and that seems right.

The Story:

Gina has a lovely manner. Accommodating but keen to make best use of the limited time and didn't want to waste any making me a cuppa :) Gina is totally professional. A short booking that I would have extended but for Gina's popularity! Even so, unrushed and memorable despite the nerves. No more details but without question a special lady and a short visit that will live long in the memory. Can see why people would go back again and again. Hope I get the chance.
