The Premises:

This was my first visit to the new venue Debbie is using in Birmingham.

It is on the Birmingham Ring Road, easy to find and parking close or on other side of main road.

It is a large house with many rooms which has been converted to create a well equipped party venue.

The Lady:

As well as Debbie herself there was;-

Laya- a very slim young blonde lady.

Emma-a slim young lady at her first party of Debbie's.

Also 3 school friends in their 20s who had decided to try a gang bang for the first time, I did not catch their names.

Finally a couple arrived at lunch time. The lady, Denise being a dark haired beauty dressed in nice lingerie and stockings

The Story:

Proceedings started with all the young ladies and Debbie stripping off and getting on their knees to give BJs leading to bukkake.

I started with the lovely little Laya, then I sampled Emma's technique and finished off with Debbie.

I did not have time to enjoy the School Friends but they were getting stuck in with a crowd of guys and seemed to be enjoying themselves.

After a break for lunch we all went upstairs and spread around the bed rooms.

I started by watching Denise and her partner but then joined in for a bit of play.

Then I moved on to the room Emma and Laya were using to find Emma kneeling on the bed with her pert little bum in the air. I could not resist and slipped in for a swift session of doggy.

Then back to the Jacuzzi room to watch the Friends having fun in the tub and to have some playtime with Debbie who always looks good in her 6 strap.

Finally I found Laya free and enjoyed some mish before calling it a day.

Once again a very enjoyable party.
