### The Premises:

Discrete block of flats, about 5 minutes walk from Pimlico tube station.. I came on the tube so have no idea what the parking situation would be. Room was clean and tidy, with double bed and room to move about. Didn't use the shower, as once Ella started to snog me, I just wanted to maximise my time with her.

### The Lady:

About 5'5", pale skin, dark hair with blonde highlights. Size 10, c cup breasts, small waist and curvaceous hips. Very chatty and easy going and great at letting you know exactly what turns her on.

### The Story:

Ella entered the room with a great smile and lots of energy. I sensed this would not be a gentle GFE.

Some deep deep French kissing and gradual undressing of both of us. Ella laid back on the bed and let me explore her juicy pussy with my tongue. This carried on for at least 10 minutes, which I was more than happy about. She suggested switching to a 69, with her on top. Again another 10 minutes. Then me on top and Ella fucking my cock with her mouth, along with some cock, ball and arse slapping. Ella asked if I wanted to fuck her pussy, but I was quite happy with the prolonged oral. The climax was with Ella on top, again deep throating my cock until I came in her mouth. We snowballed and split the cum, 50-50.

If you want rude, action packed sex with a lady who clearly enjoys what she does and wants you to enjoy it too, then Ella is highly recommended.

Having had a great experience with Gina recently, I am becoming a big fan of the girls from Valencia.

I will definitely be back for more. Thanks Ella, from the "scar" man.
