The Premises:

As described in review on Ella, who I visited on the same day.

The Lady:

Attractive. Dark shoulder length hair. Size 8/10. B/C cup breasts, with very responsive nipples. Really taut figure which it was a real pleasure just to run my hands over, and over ... Cute bum. Dressed in nice revealing top, panties and hold-ups.

The Story:

Ruby entered the room, walked slowly towards me, looked deep into my eyes, and then began to seduce me with her mouth and hands. After a few minutes we undressed, lay on the bed and Ruby continued to snog me and rub her pussy lips against my cock. I suggested she sit on my face, lovely. After about 5 minutes we switched to me sucking on her pussy, and this just went on and on. The maid knocked on the door and we quickly switched to Ruby sucking my cock. Ruby knew exactly what to do to make me climax in her mouth in a matter of minutes, using her tongue piercing to good effect.

I just love oral sex and Ruby let me totally indulge myself in my pleasure. As we cleaned up, she said that it would be her turn to suck me for a prolonged period next time. I suggested 50-50, which she agreed to with a knowing look in her eyes.

Great girl, who although initially quiet, certainly opened up as the session progressed.

This will definitely not be my last visit to Ruby.
