The Premises:

Really nice place with free parking just outside. Its in a quiet area which made me feel more comfortable entering as you are not stood outside in public view waiting.

The Lady:

I hadn't actually gone to see Samantha but after she came to introduce herself to me it was an easy decision. She seemed very welcoming and calming which was great as it was my first time here. Aside from how nice she seemed and how reassuring she was throughout she had an incredible pair of boobs which I couldn't get enough of.

The Story:

Being my first time I was very nervous about the whole thing but was given a warm greeting and asked to sit and wait to be introduced to each of the ladies. After meeting Samantha I went upstairs where she continued to relax me.

After stripping down she gave me a great massage to get things going. After a while she turned me over and let me play with those incredible boobs whilst she got me hard. She then put on a condom before giving me an outstanding blowjob, moaning whilst taking it all in her mouth. We finished by having sex where she rode me hard whilst talking dirty until I came (very quickly?).

I would really recommend samantha for anyone, especially first time visitors.
