The Lady:

Demi is a tight arsed girl early 20's and a body to die for. Blonde hair and great (fake) tits.

The Story:

Chose Demi and went upstairs and waited for her to come and get me. Decided for the GFE money paid time to strip.

Demi put me on my front and took her top off gave me a massage and every now and then grab my balls. She got naked and rubbed her pussy on me while massaging me. She then turned me round and started to wank me before spitting on my hard cock and take the full length to the back of her throat keeping eye contact with me. Loads of spit on my cock worked the shaft well while cupping my balls. On with the condom and she climbed on top and shagged me working the grind till she made herself cum and me. She didn't want to stop shagging until she cum again where she made me cum brilliantly. Recommended and I'll see her again just to shag her from behind to see that perfect arse.
