The Story:

As soon as the front door clicked shut, Helen was up close. Moments later my trousers were off and my cock was in her mouth???..Helen knows how to please a chap. She does this so well, running her tongue around the sensitive areas and then taking it in deeply and slowly, that the whole proceedings could have been over then and there. To slow matters down, she led me upstairs. I followed, sliding my hand up her thigh as I went, and finding her to be panty-less. On the bed, action resumed until I could hold on no longer, and came in her mouth. We lay there for a while, chatting as I recovered. Helen is a very friendly and attractive woman, well experienced in the art she so clearly enjoys and is so good at. After a bit her hands and then her lips set about re-erecting my resting cock. Standing at the end of the bed I entered her doggy fashion as she knelt in front of me. A very enjoyable climax to a naughty hour with the delicious Helen. She is one of the most sexy and attractive women I have ever met.
