The Premises:

Usual Annabella flat, jumped in a cab from CMK and was there in minutes.

The Lady:

Tina is as her pics and even with the photoshopping she still looks very similar! Perky firm breasts, great slim body and nicely dressed

The Story:

Was shown to the room and waited for 5 minutes for Tina to arrive as she was running late, she is as her pictures and you really cannot be disappointed with how she looks! She is very cute looking and you just want to give her a cuddle.

She immediately asked for the money which was ok and informed me she had a booking straight after (not sure why?!)

We started off kissing on the bed (no DFK) and the background music was very appropriate to how I was feeling i.e. relaxed and in heaven. I did try to build up a rapport but it was very business like and "straight to it". She then gave me oral which was good, plenty of tongue and she was using her hand too much but still it felt good!

I then enquired about Anal, as this was a service she offered and one of the key reasons I booked. I asked the maid before booking if she offered it and the answer was yes. However Tina replied along the lines of she does not do this much anymore - my heart stopped lol. I joked if it was due to me being too big (on an anonymous review I am not ashamed to admit I am below average)...she did not get the joke ha!

Anyway she ended up riding me slowly and then I went on top, she was asking me to go harder and harder which was a turn on and I finished in the condom. I don't know if second round was on offer but she was keen to massage me.

It would be unfair to give a negative report as she is as her pics, put some effort in and was an

average encounter. However I felt annoyed anal was not on offer as per description and also she was quiet throughout which at times created an non passionate atmosphere.

I would not see her again but her looks mean you will at least be with a pretty girl.
