The Story:

Initially called the parlour as it is difficult to spot; once inside I was greeted by Charlotte and taken to a room where the girls came to introduce themselves, both were stunning! After a quick shower we discussed what service I wanted - I wanted to start with a massage and then OWO, massage was great followed by some awesome mouth action! I was very close to exploding so we moved onto the bed from the massage table; I gave her pussy some attention which was great. She then finished me off with her hand where I covered her a little more than she expected... We then had a chat and I had a shower. Atmosphere was very relaxed and did not feel rushed at any stage - great experience, thanks Charlotte x
