The Lady:

This was double booking Carla, better in person than on the twitter photo's. Warm sensual aura, round, huggable curves. The definition of a full bodied attractive real woman, nothing androgynous about her.

Daisy, more slender than her pictures, with sparkling eyes.

The Story:

My first time with Carla, and my first ever threesome. Wow. Two beautiful enthusiastic ladies. I started off by giving them both a little advent gift, a flashing Chrstmas with daisy's name written on it, and a heart shaped fridge magnets for Carla. I also gave them both a poem, inspired by their looks (and my past experience of Daisy). I read them and Daisy said she could cry, not sure whether this was because they were good, or bad.

Action, standing up, and kissing Daisy, whilst Carla was on her knees proving oral. Much swapping around of who kissed me, and who gave oral to who. Carla face sitting on me, Daisy providing oral at one point. Three events stuck in my mind, missionary with Daisy with her leg on my shoulder and Carla sitting on Daisy's face, Carla's back was facing me, and she asked me to spank her and (gently) bite her bum. The second Carla nibbling my ear and talking dirty whilst Daisy provided the oral. The third me laying on my side cuddling and kissing Carla whilst Daisy lay behind me, hugging me. The sensation of being squished between two lovely enthusiastic ladies was fantastic. The advantage of Carla is her experience, she came up with things I would never have imagined.
