### The Premises:

Usual infamous complex in South kensington. Her annex is nice and cosy and clean with good shower facilities and a spacious bedroom (although more mirrors are always welcome).

### The Lady:

Blonde polish bombshell. Really gorgeous, better than her pics in my opinion. Beautifully proportioned with a fabulous figure. She's not so tall but for me that is a good thing as after she indulged me my penchant for dressing up and high heels she was the perfect height. Excellent English too.

### The Story:

Suzanne is pure polish gold.

We had a really good time getting up to all sorts of shenanigans in her lovely bedroom. She was wholly accommodating and just really pleasant to be with for a couple of hours. She was happy to indulge all my dress up requests and kissing and sex with her were simply spectacular. Just a really great GFE experience, one of the best I have had.

I just a regular guy but she made me feel on top of the world.

Always be respectful and attentive and you will be well looked after. I had a wonderful time and will be sure to return.
