### The Premises:

Annabella's in CMK, well reviewed in the past, and nicely clean and tidy with a good prompt maid service.

### The Lady:

Very accurate photos on the Annabella's website. They don't capture how marvellous Pam's blue eyes are.

Pams certainly around the 19 mark, with a great figure

### The Story:

Pam entered the room a few minutes late for our meeting, very apologetic from the start assuring me that I wouldn't get short changed on time. No problems my end, after all Pam was the advent girl today and is pretty much booked solid all day so what's a few mins anyway. Besides, the sexy little undies she had on, once I got a glimpse of her bum I was, time was irrelevant.

From the outset Pam was very affectionate, lavishing me with kisses (Fk) and after she helped me undress she led me to the bed where she proceeded to kiss down my body to take me in her mouth for some excellent OWO.

After I couldn't take anymore it was on with the rain Mac for sex in various positions including mish, doggy, standing and Pam on top, with lots of snogging throughout.

A wonderful punt, Pam was the closest I've been to a true GFE in a long time, I couldn't recommend her more!

Please be nice to her gents, she's one we want to stick around!
