As described before Rub, is immaculate, and as the name suggests is only a rub & tug shop. Nice & discreet with ample parking close by. Each room has an individual shower and heater.

The Lady:

Tiffany in my eyes is perfection! Mixed race yet looks more Mediterranean to me, stunning figure with the best boobs anyone can imagine (possibly enhanced but you would never know). Gorgeous curvy figure with a Kim K bum and beautiful looking. Easily the prettiest working girl I have ever seen.

The Story:

Flying visit in to Notts and I just couldn't resist calling in to see Tiffany again. Only had time for 45 minute massage but wow what a 45 minutes it was. Was given a towel and had a shower then was helped to dry off with some nice fondling of the little fella. Was then asked to lie face down on the massage couch and what followed was truly amazing. Lovely massage with plenty of nice sensual touches to balls and bum. After a short while I couldn't lie on my erection anymore and asked Tiffany if it was OK to turn over to which she replied 'blimey you're a bit eager aren't you' in that cheeky sexy way of hers. Now I still had quite a bit of my allotted time left but Tiffany still didn't rush and made sure I got all my monies worth with some sublime teasing of my nipples, helmet, shaft, balls, bum etc and I was allowed to gently touch her boobs and bum, as she felt me getting even harder in her hand she started with the sultry dirty talk, asking me where I would like to shoot my load, well before I could answer he was between those fantastic boobs and I came for England, never ever have I had an ejaculation like it. I don't visit Notts very often but when I do I am going to make sure it is on a day that Tiffany is working.
