The Premises:

Well known serviced apartment block about 7 minute walk from South Kensington tube. Despite the swanky address the block looks a little tired from outside. Walk straight past reception in a purposeful way to the lifts opposite the front door! The apartment was small, shared by two girls. The bed could certainly have been better - high quality sofa bed.... hmmm.

The Lady:

The photos on the agency site are accurate. Definitely of Jayda. She is quite tall, has blonde hair (not naturally blonde, I think) and has a really nice body. I think her best asset must be those fabulous boobs. Large, firm, heavy - absolutely ideal for playtime.

The Story:

This was something of a mixed bag. I strongly suspect Jayda was still asleep when I arrived. Was met by a completely different girl who didn't seem to know who I was looking for. Instead of being met in stockings as I'd requested (request definitely passed on by the agency) Jayda was in pyjamas and was busy getting fresh sheets on the bed. It was a bit awkward. I like to spend a bit of time helping the girl out of clothes/lingerie caressing and kissing. Not here, Jayda peeled off and motioned me to the bed. Once there things were fine. I had plenty of time playing with those boobs - just magnificent - if you're a boob man, these are up there with the best. She went for OWO and delivered expertly. I had asked the agency to pass on that I'm very keen to kiss. I know some girls won't (thankfully a small minority) - but the whole thing is spoiled without, so I always make a point of mentioning the request. Jayda's profile says kissing, but it was in short supply, not with much enthusiasm and with firmly closed lips. Pity. Then onto the main event, quick bit of mish then into doggie. This was lovely and I couldn't last for too long. Time for a rest. Not a great deal of conversation as Jayda's English isn't brilliant. Unfortunately during the 'rest' there were interruptions from the phone AND the front doorbell. I'm old fashioned enough to think she should have ignored both - she didn't. Round two started with more OWO. She got me roused again faster than I'd expected then into cowgirl for the finale. I did enjoy myself - she's has a very nice body! Jayda is clearly a very nice girl, but there were enough minor irritations to make this one less than brilliant. I don't think I'd do a repeat, but if you're a boob man and don't mind that there's little kissing, you could certainly do worse.
