The Premises:

Clean, tidy flat in newish block of flats. Bathroom available. Discreet off main road, buzzer door. Off street parking nearby.

The Lady:

Young early 20's hottie. Tall slim brunette with 34F boobs and firm good sized derriere.

The Story:

I rarely visit a lady twice, if she is particularly obliging maybe a second time. A very few have have been seen three times over a year or so.

Sophie has delighted me about 6 times since May..

Her body is a total delight. However it is her enthusiasm, sense of fun and willingness to please, that caps off a perfect experience.

We have tried many positions and caressing her gorgeous physique makes you feel 30 years younger.

Plunging her depths (safely of course) and listening to her cries of passion is quite breath taking.

The sex is great too ..
