The Story:

Met Diamond in the flat it was clean and spacious in a converted block, very well decorated and homely, Diamond had a silk dressing gown on and was immaculately turned out, I was offered a show which I took. We met back in the bedroom where I was treated to Diamond in full red lingerie she looked amazing!!! We started to dfk and exploring eachothers bodies.

Diamond the dropped to her knees and began the most fantastic OWO on me, slow and deliberate with enough pressure while remaining gentle, DT also happened during this time, I was in heaven, I repayed the favour and enjoyed the moans and squirming from Diamond as I atteneded to her clit and pussy.

She then took me back in her mouth and I finished on to her boobs.

An excellent hour, Diamond is really worth every penny, and I am looking forward to the next meet!

Treat her well gents and you will be well rewarded!!
