The Premises:

Easy to find, great private flat with shower big enough for 2.

The Lady:

Hot English Milf as described on her site.

The Story:

Easy to book, good communication. I was late due to crap train connection but she was fine with it.

Her greeting was warm, the kissing was sexy and she did not waste time. She took off my clothes and invited me to do hers which was hot. Slow build up including OWO, RO and sexy DFK. Every reason to believe she enjoyed herself too and enjoyed her work. Condom on via mouth trick, and all aboard for Cowgirl. All of this took an hour - I'm sure I left out a few parts.

As planned, we took an extended break for lunch. She was great company.

Back to the flat. At some point her power went out - like my train snafu, not likely to repeat, but it happens and adds to the memory of the day. She carried on calmly and we had a hot shower, an unbelievable full body-on-body Nuru (which turned into a slippery 69) all with candlelight.

All in all a great time.
