The Premises:

Diamonds is at 7 Regent Street, Runcorn; but access is from the Co-op car park at the rear. This parlour has a single bedroom, with just one lady working per day. It is in an upstairs flat that is clean, arm and very well-appointed, and is probably the best I have ever visited. The madam is welcoming and professional. The room is very spacious, with an en-suite shower, but the WC is at the end of the corridor.

The Lady:

Jordan used to work at Fingertips in Stoke-on-Trent as Ava (or Eva); and that is where I first met her. She is very attractive, 40-ish and in very good shape with a sexy voluptuous figure. Currently dark, her hair used to be lighter in colour. Jordan currently works Thursdays (and possibly at weekends too). I understand she may be returning to Fingertips in the New Year.

The Story:

I happened to be in the NorthWest on a Thursday and, knowing that Jordan was working, I decided to call in. I'd missed her after she left Fingertips and it was great to see her again. Jordan/Ava remembered me and we had a great time. She doesn't hold back and is really sexy. I can't wait to see her again!
