### The Premises:

House off Bromley road near the McDonald's. Quiet street. Neighbours probably know what's going on. Safe enough if driving.

### The Lady:

Blonde bbw. Attractive. Great tits and ass.

### The Story:

Not my usual type. Never seen a bbw before. Went to get the nuru massage but due to her horniness we had sex twice.

Laid down for massage but she began kissing me all over and covered oral. That point told her came for massage but she wanted to sex so who am I to argue! Negotiated 2 cums and to get credit I did do easily.

Never thought I'd do a bbw but will defo return to see her.
