The Premises:

Just outside Long Eaton town centre, generally area looks a little run down but is safe. On street parking readily available.

They like you to call 15 minutes before to make sure your lady is available.

We used a nice candle lit room, very nicely decorated. There was a massage couch and a bed in the room.

Shower was okay - electric ones are never really good enough, but they do the job.

The Lady:

Dark haired, slim and dressed in stockings, heels and lingerie

Very pretty, and friendly. And in her late 20's.

She stripped naked for the massage- well left her heels on.:-)

The Story:

Frankie explained the rules clearly, a massage, body to body with a happy ending. Mutual touching was permitted

The massage was superb, lots of oil, and the feel of her body against mine was really lovely.

She turned me over and massaged my front, again, body to body.

Really a shame she did not kiss, as she certainly knew how to encourage it...

Finally she finished me off by hand...

Really a great finish... to a lovely 30 minutes with a very sexy lady.
