The Premises:

Nice apartment in the Chelsea area - easy to find, clean and functional, good shower, comfortable all the way around.

The Lady:

As far as I am concerned, this lady is perfect (even if she would want "tighter abs, a bigger butt, and longer legs"). If I were to describe the perfect companion, I would want blonde (even if that's not her natural color), firm boobs (this lady's boobs are fantastic, with responsive nipples), good height (Clarisa is 5'5", so she is just the right height when you're sitting on the bed), and just the right curves (not too thin, not too much "baggage").

She also speaks great English, so a wide-ranging and entertaining conversation in between rounds.

The Story:

True GFE services (though OWO is YMMV) - lots of kissing, cuddling and caressing. Not just a "willing participant", but engaged and enjoyed throughout. She has a great body, so it's fun to explore every part of it (and she seems to enjoy the exploration). Great warm-up to the first round, then a nice chat, massage, and prep for the next round. Two mind-blowing rounds was a great way to finish a very long day.
