### The Premises:

### The Lady:

Beautiful. A petite lady but in lovely proportions, busty but not excessively so, lovely bottom, and with long blond hair.

Slim and very pretty.

### The Story:

Suzanne arrived on time in a beautiful short dress, high heels, looking perfect. We went out for dinner and I had a wonderful GFE as she is lovely company, good listener, and her attention is all on you, not distracted by phone etc.

We returned to my hotel where she slowly stripped off to reveal some of the sexist lingerie I have seen, on her perfect figure.

Lots of DFK and mutual oral. She gives fantastic oral [without] and we had a hour exploring various positions, Suzanne is responsive, sexy and appears to really enjoy herself, I certainly did. Ran over time, but Suzanne was not bothered definately not a clock watcher. I would highly recommend, I will return!!!
