### The Premises:

Rub is very easy to get to with a discrete entrance and easy parking. Once inside it is very comfortable, spotlessly clean, warm and welcoming.

### The Lady:

I had booked to see Tiffany given the other reviews she has had and now I've met her I can see why she's so highly rated. On the spur of the moment and as a Christmas present to myself I asked if it was possible to have a 2 girl massage - happily another lady was available, although in my excitement I have forgotten her name. Safe to say both were beautiful - both with really hot bodies, curvy in the right places but also trim and toned, great boobs n bums, both very pretty with cheeky personalities, very easy to talk to.

### The Story:

The best ever. Seriously, hard to imagine how it could get any better.
