you can find Helen's details on Adultwork and have seen her many times over the last seven years, Hair more red coloured than her photos but very cute and better than her photos dressed like her web pictures stockings, suspenders and heels

The Story:

Phoned Helen when I got to hotel and was met in reception and led to her room, fully dressed we chatted and kissed passionately on the bed, I freshened up and returned for more kissing. Helen turned her back to me and slowly let her dress fall to reveal stockings and suspenders crawled on to the bed more kissing and some great owo this was deep and so good I decided to return the favour asked if she would stand over me she giggled and I was in heaven as she slowly lowered her shaven pussy on to my tounge lovely little sighs as she really seemed to enjoy my efforts. on with the condom and she got on top and rode me cowgirl after a while we changed to doggy with me standing Helen backed right up and we spent ages doing this both fast and slow. More oral really deep in fact I could feel my cock in her throat other girls say they do depthroat but Helen actually delivers nothing was too much trouble and we finished with a great cum in mouth. lying naked together we chatted and a nice touch as I had my hand on her stockings she had her hands on mine as we talked went over by about 5 minutes and was not hurried out , Helen is moving back to the Hub soon ,I hope to see her again for a great GFE 10/10
