The Premises:

Private flat on large anonymous development, further anonymity can be achieved in the hospital car park (across the road but expensive)
Flat is clean and tidy, felt very safe.

The Lady:

She does it for me! Tall black girl, mid 20's, long legs, simply the best breast and nipples I've ever got my hands on. Pretty; photos on AW are accurate.

The Story:

Second good punt with this lady. Candaze has a fantastic body and a really nice personality, I think 'nice' is the right description. During my first visit I thought she was possibly new to this game but clearly isn't having reviews (as Sheila) that are a couple of years old, is also an experienced model and I suspect these weren't limited to Playboy type poses.

Candaze has quite clear boundaries, no kissing, no fingers inside. Oral and penetration both covered which is how I want it. Seemed happy to fit in with my requests about swapping positions and some limited dirty talk.

Don't think she'd be my first choice for a noisy, earthy PSE, but as you can tell, I'm happy to recommend.
