The Premises:

Off the main road and in a nasty looking alley. In truth, all the alleys around Chinatown are pretty grotty. Bins and rubbish everywhere. The place can be a little difficult to find is bisected by 3 bigger streets. I started somewhere in the middle, walked up the wrong way, then back to the starting point and still could not find it. Took a minute to realize yet another part of the street was further down. The parlour itself is down a steep flight of stair, at the bottom of which is a rather nasty looking gate. The type of thing you'd expect on a prison cell. Buzz the intercom and the gates unlock. The sitting area, nor the bedroom used where much to look at. Could really do freshening up.

The Lady:

Pretty much as described on the website except that the photo do not show how pretty she is. I had pretty much decide on her from the website alone and when she was introduced along with all the other girls on offer, I was more sure than ever.

The Story:

I found her pleasant right from the start. All smiles and inviting for events to begin. There wasn't a massage, so the little soldier wasn't at attention yet. Jet soon got me hard enough to put the condom on and proceed with the BJ for a couple of minutes. I just love to play with a girls tits and nipples and Jet was happy for me to do this. It just made want to fuck more. Then on to missionary. Didn't try to kiss her, so don't know if that's allowed. There's nothing quite like staring down at the face of a pretty girl when banging away, with her playing with her clit. Her clit, larger than average is quite something. I watch the rubbing while pumping for a few minutes until she start moaning with ecstasy. By now, I've been pumping away for 5 minutes and the arms are tiring, so we switched over to doggie. I've been on a week of debauchery and it's getting harder to come, but she took it without complaint for another 5 minutes until I came.

Tipped another 10 for being such a champ.
