The Premises:

Large Block of flats in side street near Russell sq. Went in day so nice and light. Not so sure about the stairs in the evening.

Flat itself was shared. Largish bedroom next to adequate bathroom.

The Lady:

Stunning, absolutely stunning! Probably prettiest lady of any race I have seen. Been said a million times but the poor pics just do not do her justice. Lovely personality to match.

The Story:

amazing gfe. Don't know if it's a skill or real but she made time feel like we were long lost lovers. I'm still trying to work out if she is that nice or that good an actress. I'm sticking with the first!

All services happily obliged and enjoyed. She came, hard. I came only once and usually go for a second but she did something that made me not need to go twice. Amazing girl/experience/memory.

Want to go back but what if it's not as good and ruin my memory? But she was sooo good!..
