The Premises:

Preeti was based at the Ibis Hotel close to Aldgate East tube.

The Lady:

A very friendly Indian lady with lovely DD breasts. She was wearing a lovely jade sari when I entered the room.

The Story:

I'd spent the afternoon walking around the City and made the decision to go for a topless hand relief session as a finale. Continuing with recent Indian/Pakistani girl punts I decided on seeing Preeti because I was only a 10 minute walk away. This was the second time I had punted at the Ibis, Aldgate hotel.

I was not disappointed with the session mostly because it was very friendly, but seeing Preeti's lovely big, brown nipples helped me on the way to a very intense climax.
