### The Premises:

very clean and tidy quick walk from the station plenty of room.

### The Lady:

aylin is a beautiful freindly german / romainian sex kitten.

### The Story:

aylin walked into the room and we had a nice kiss and a warming hug we then took care of paperwork,i spoke to her in german as i spent three and a half years over their when i was younger she was quite supriised and it became a nice ice breaker, however on with the show and i wanted and got more nice kisses and then i sat down in the chair and gave aylin a pillow to kneel down between my legs and give me wonderfull owo nice and slow and deep wow i kept telling her good girl good girlmmmmm, after a while i had to stop her and thought about time for 69 but as she stood and turned that fine sweet ass around i said just stand their while i rubbed my cock against her so soft but pert sweet ass, i was loving this moment so much that dam i blew a bucketfull onto her cheeks wow a whole weeks storage and all you could hear was a splashing noise but then aylin flexed so it did not run onto her pantyhose and she was a great sport and was in no rush to clean up, the blue pill kicked in and we had sex every which way but alas no second coming but i gave it my all and aylin whispering in german made it so special danke mein chatz habansie ein guten weinacht cheuss see you soon andyxxxxxxxxxxxxxxxxxx
