The Premises:

Well known and as clean as ever. Receptionist particularly helpful today as fewer staff on than usual and those on had Xmas travel issues but she could not have been more helpful or will so in the end had a very convenient booking made.

The Lady:

Always looked elegant in her photos as I had hankered over visiting Rose for a long time over a period when I was not actually punting. In the flesh she is taller and I would have said taller than the 5' 6 given in her stats with a healthy figure. Her hair is long and dark blonde and she has an attractive face with a ready smile.

The Story:

Slovakian but good English and willing to chat and to make jokes and be cheeky if you give off the right vibe.

I thought I would go back to a former practice from years ago and start with a massage of Rose and she was happy enough and soon relaxed when she realised I was going to do a sensible massage and not be poking into at her. Chatted throughout and she contrived to give me a foot wank at the same time.

The massage included occasional kissing, occasional nipple licking and after her owo on me I took off her pants and reversed the oral which she responded to well.

Then sex and Rose felt very good and would adopt any position I suggested and we had a mutually good time.

Nothing out of the ordinary - i wasn't looking for that - and nothing I wanted to do was denied. very enjoyable, very good banter and certainly a girl I would very happily see again.
