### The Premises:

Reasonably discrete pad behind Paddington Station. Her room is reasonably sized, and looks pretty clean. The light in her room is a bit dark and gloomy though.

### The Lady:

Katy is very pretty, young, slim, and petite. She has a terrific figure and really nice face. Her pics are very accurate, but I'd say she's actually cuter than her photos. Her breasts are small but really nice - so much better than those big, rock hard fake boobs!

### The Story:

She speaks no English really, so we got down to action pretty quickly. The first point to mention that came up very quickly was that she did not kiss at all and I was not allowed to kiss her on the mouth. Bare in mind I'm really not bad looking and as a regular on the scene this sort of thing rarely happens to me.

Without the opportunity for a slow build up to the action, our clothes came off quickly and she was quick to offer oral - but covered. This was a second major disappointment, particularly given that both FK and OWO are on her list of services. The oral that she did give was ok, but with no kissing, covered o and no conversation, i wasn't able to feel any real sense of connection to her.

On the positive side, I went down on her a bit, which is not something that I normally do, but did on this occasion coz despite her disappointing on the service front, she is just so damn hot!

And sex was pretty good, including, cowgirl, doggy and missionary. I was slow to arrive the first time, and we had two nice rounds, so a fair bit of serious action. Her two minutes or so on the phone were a little deflating though at one point. After about 45 mins, she said that the time was up, which again was very irritating, as I'd booked and paid for an hour.

Overall, I'm actually not disappointed that I visited Katy. Then again, I didn't exactly leave feeling elated as i do when I've been with some of the great girls out there. If your priority is to be with a

terrific looker, (see description), then you could do a great deal worse than booking this girl. She is a stunner. If, chemistry, personality, and a great 'service' are what you are after, there are lots of girls out there that will cater to your needs better. And some of them are great looking too!

Happy punting!

P.S., I recommend the agency. They're very good.
