### The Lady:

Petiti english lady, looked exactly as in her photos, very giggley

### The Story:

I can't not recommend this lady as that would be unfair, she did all of the services listed (including rimming) and she did them well. Two things made this an average punt, one was all the the repetitive giggling/fake moaning throughout, it became tedious. The second is when giving me OWO she constantly paused to wipe my cock, I had just had a shower before heading there and know full well I was clean, I understand if they want to give it a wipe at the start, that's understandable, but to keep doing it, especially knowing I was clean became a little monotonous.
