The Premises:

Delightful and exclusive apartment in an up market suburb of birmingham, easily accesable and good parking, the apartment is very clean with good facilities, shower and bath. The neighbourhood is very quiet, I did not see another person whilst on my visit

The Lady:

This lady is very special, stunning figure with long hair and good looks, a pair of eyes that instantly draw you into a world of pleasure. I certainly felt totally at ease from the first moment we met. This lady certainly knows how to bring pleasure to a client

The Story:

We met as she opened the door and I entered into the hall way to find this gorgeous brunet in the sexiest revealing negligee, stocking, suspenders, with just a peek of her sexy bra and panties. We kissed intimately as my arms wrapped around her and I pulled her towards me.

We went into her bedroom and we kissed some more and I slowly undressed her to reveal a most tantalising delight, I then enjoyed as she undressed me, we spent time exploring each others bodies, for a while I carressed her until she reached an incredible climax, her whole body shuddered. We then made love, she was warm an moist and very inviting. For a while after we talked before she offered me a wonderful massage followed by a shower and coffee. I felt totally at ease for the whole experience and at no time rushed.

I will certainly be a regular visitor to Amanda when I am in the area.
