The parlour is not much to look at on the outside but then this does make it more discreet and inside is clean and nice

### The Lady:

Her description and photos on the website are accurate but do not do this beautiful, sexy and incredibly horny lady justice

### The Story:

I originally planned to see Candice and Sammy for a three way session, however this being my first visit and it being a bank holiday, it was very busy and my time in Sheffield was limited so I could not wait for them both to be free. Lesson learned and will book in advance next time. Candice greeted me with a warm smile and lead me up two flights of very steep stairs, a bit of a climb but her gorgeous bum on view up her very short skirt more than made up for it, although the view was so mesmerising I nearly missed a few steps. Once in the room Candice offered me the shower facilities, which were conveniently in the same room, then went to get ready for me. Shower done she came back and we chatted about my poor planning of a two girl session, which she genuinely was as disappointed about missing as I was, although throughout our time together she described in intimate and horny detail what her, Sammy and I would get up to next time. she joined me on the bed just wearing a skimpy pair of panties and as I lay on my front she caressed and stroked my body and cock as we discussed what options I would like for today. Long story short I went for gfe with cim and what followed was the best half hour I have had in a long time. Candice is highly skilled, flexible, wild and horny. she expertly sucked my cock and I got to taste her sweet pussy before on with the obligatory johnny and sex in several positions before I just could not hold back any longer and so off with the protection and a fantastic blow job which she managed to make last longer than I thought possible, again very skilled and extended the pleasure when some would have just made you come asap. Chatted some more about every day stuff and she very explicitly suggested a scenario for our next meeting with Sammy as I got cleaned up and dressed. I recommend Candice totally without reserve, she is very very enthusiastic, explicit, highly skilled, generous, flexible, gorgeous, sexy, friendly etc., in fact you could a thousand pounds for five minuets of this lady's company and you would still be getting a bargain.
