### The Premises:

Nice safe, clean apartment. Gated community. A little bit far for public transport but an easy drive.

### The Lady:

Late 20's ex pornstar- Very fit, maybe a little too much surgical Enhancement for those who like the Natural look. Google her most recent videos.

### The Story:

Been to see her multiple times, very good service! Awesome sex- all the positions, dirty talk and fantasies you can think of- A level included. Does pretty much everything you want and is aware you are there to have a good time. However, at the price tag attached she should do!

she looks a bit like the dragon queen Daenerys Targaryen from Game of Thrones if that gives you some ideas. The first time i saw her she was Deepthroating me and telling me to fuck her ass hard 5 mins after I walked in. She is hygienic without being fussy and obviously enjoys sex. Nice girl too, maybe a little bit too hardened by the industry.

Anyway if you're thinking about going upmarket and have some money to burn she is a good choice and the agency is top-notch (ive seen a few girls through them) one warning- dont take any of the girls numbers and then go to her direct- i did and got burnt. Stick to the agency.
