The Premises:

As reported before, parlor on welling high street
Easy parking, inside is certainly not luxurious but fit for purpose.

The Lady:

26 year old English brunette, although she had a very slight accent (which she explained was due to her growing up abroad.)

Height 5"10 size 12 (curves in the right places).

Very attractive with nice smile. Was wearing a nice back dress.

The Story:

After money was exchanged I stripped off and revived a massage with plenty of attention to my balls (which I love!)

Flipped over and on with the "jacket" for some very good oral with verying rythem.

We then had sex in doggy postion (view of her arse as I pumped away was excellent).

Befroe I climaxed we switched to missionary so I could see her nice face as I climaxed. She made some very nice convincing noises just before I shot my load.

A very good punt that left me very satisfied!
