The Premises:

In MKE's main flat near staples, as always very clean and tidy with a very professional and prompt maid service. Shower as always available and clean with fresh towels etc.

The Lady:

Anna is very accurately depicted in her profile bio. Lovely blonde EE lady with a cracking bum and lovely and responsive boobs.

The Story:

Anna was one of the Advent girls today (thus the discount costs above) so was rather busy and running 2 or 3 mins behind schedule, so took the time to grab a shower.

Anna entered the room dressed in very sexy matching red lingerie complete with matching suspender belt.

She greeted me with a lingering F/kiss, we sorted the ppw and continued with mutual FK and exploration of each other, as i was only wearing a towel from the shower it was not difficult for me to disrobe, however, to my surprise whilst i was helping Anna to remove her bra and i concentrated on her marvelous nipples, she managed to shimmy out of her underwear, whilst standing and kissing my neck without me even noticing, all the time stroking my cock.

Anna ushered me over to the bed for some amazing OWO and ball licking/ticking which i had to curtail to ensure i didn't take advantage of CIM unexpectedly, she has a seriously premature inducing technique.

So on with the rain coat as Anna straddled me for some slow Cowgirl, then moved onto a variety of positions including mish, doggy and standing to list but a few, all the while Anna was very accommodating and at no time did i feel that my requests were a chore.

We has already discussed i wanted to finish in her mouth, so anna sat me back down for a final bout of OWO building a rythm up until i finally released my load into her mouth, and unlike many ladies who take this as a prompt to dash off for tissue/wipes to spit into, Anna proceeded to keep

sucking to squeeze every drop of cum out of my now throbbing dick.

Once i'd recovered, we chatted quite comfortably as we got dressed, and then parted with a kiss as she showed me to the door.

I can honestly say this was up there with the best punts i've had.
