Well described close to the tube, safe and easy to find.

The Lady:

Her pictures are very accurate and the tattoos even more glorious than shown. She is a small woman, with very large mammaries and a tight cunt. Gina 'snake' is fun she chats and passes the time in a pleasant way except when there is a cock mine in this case inside her mouth.

The Story:

Gina was soon on her knees sucking my cock with aplomb. We talked of this and that mostly me as she was licking, spitting and sucking. In 69 and RO her tasty fanny were a delight and I spent much of my time devouring her clit. Gina makes the appropriate noises and she was quick when fucking came up so on with the condom. She said 'fuck me', I said ;fuck me;, she repeated I got my way and she rode me cowboy. Her tight cunt is a fantastic love hole. Peering up at her pretty face and a body rippling with delight is a splendid way to pass an windy afternoon. My own pleasure was assured with an orgasm whilst Gina massaged my balls and cock. The time had gone and I was empty I would stay and watch her body if allowed. She is a fun fuck and her smile and confident manner make me want to return. Problem is that on leaving I saw two other beauties and the poverty of choices poor me.....
