### The Premises:

There is an discrete entrance on a busy main road, with free parking up to an hour just outside the premises. The interior was clean and tidy and the small massage room well equipped with a nice shower (in working order) and a mirror (nicely placed to the side of the massage table). The room was lit only by candles which helped to add to the atmosphere (although it limited the ability to fully appreciate Layla's naked body).

### The Lady:

The photos on the website don't fully represent Layla in that she is, perhaps, the most beautiful British/Indian woman I've ever seen! She looks much younger than the age of 30 (mentioned on the website), has flawless skin and gorgeous long, shiny hair and a perfect body with beautifully full breasts.

### The Story:

This was my first visit and Layla put me at ease with her sexy, soft spoken voice and general tender manner and smiling gazes. After allowing me to shower and undress in private, she came to the room to rub me dry with a towel and, as I lay face down on the couch, she undressed to reveal the most amazing body. The massage was truly sensual and erotic, occasionally whispering in my ear before commencing an oil, body to body massage. The majority of the massage was focussed on her gentle fingers softly massaging between my legs, occasionally teasing the entrance to my anus and reaching underneath (very erotically) the tickle my balls. When it was time to turn over, I was fully erect and she immediately climbed on the couch and started to massage my cock between her full breasts. Although, unfortunately, her position at the foot of the couch meant there was little opportunity to touch her, she occasionally she leant forward and over my body to allow me to touch her breasts before resuming her position where she used her hands (very skilfully) to bring about an explosive ending. It was nice that, afterwards, she continued to massage me for a while (as I recovered from the experience) rather than creating an abrupt end or dashing off (as others often tend to do). It was a wonderful experience and my only disappointment was that I arrived back at my car just 29 minutes after entering the premises (and I had paid for a 45 minutes massage, not a 30 minute massage) so, although I would definitely visit Layla again, I may just opt for the 30 minute massage next time.
